LEV

U.S.A.

I would like you to know that I, Lev [redacted] a resident of the city of Odessa, Ukraine, was caught by the Romanian Gestapo in October, 1941. Together with my parents I was sent to a death camp in the village of Bogdanovka, Odesskaya region. During the period of December 1941 - January 1942, 89 thousand people were brutally murdered by the SS squads. Eleven massacre participants were found and hung in a central market place of the Kishinyov city in 1963. There were 44 members in the group that performed that shooting. Captain Freidrich Schleike was the general leader. I managed to escape from the massacre pit. In June 1942 I was caught by the Ukrainain police and placed in a Domarev Ghetto. The 28th of March 1944 I was liberated by the Russian Army. All my documents have been kept in the Claim Conference Organization since December 1991.

The fascists destroyed 23 members of my family and relatives.

Recently I received a compensation of \$502.

P. S. I believe that the money from the Swiss funds should be fairly distributed among the participants of the HOLOCAUST, which occured worldwide!!!

With a respect,

Lev [redacted]
