Dear Rabbi Krinsky,

Below are the answers to the questions and clarifications you raised.

Although more time can be spent to clarify how many of the elderly we serve are actual survivors, owing to the preparations for Pesach, we have made an estimate. If you need more precise reckoning, I would be happy to do so in due time.

Thank you very much,

A Kosher and Freilichen Pesach,

Rabbi Zalman Blumenfeld
Director
Chabad of Peru
